## Inscription Details:

Print clearly, as a copy will be set exactly as written. Use all CAPITAL letters. Spaces and hyphens are considered characters. There is no need for you to center your own lettering. This will be done automatically when bricks are engraved. The lettering is etched into the pavement-grade bricks, followed by several coats of Lithichrome™ black, a pigment commonly used in the monument industry. The selection committee reserves the right to refuse any inscription that is determined to be inappropriate for this project. NOTE: If you are ordering from a business or institution, please fill out the "business order form," available on our Bricks by the Lake webpage at <http://www.folq.org>.

Need more order forms? Or have questions? Leave a message on our voicemail at 781-979-2400.

Mail this form and your payment to: Friends of Lake Quannapowitt, P. O. Box 517, Wakefield, MA 01880.
